PO Box 139
Jackson, MS 39205

Governor Musgrove:

I work for Cooper Lighting and we understand Nissan is going to award the lighting contract for the new plant to Lihtonia. Mississippi has 2 lighting companies that manufacture in our state and either Cooper or Day-brite should produce these lights! We need your help to encourage Nissan to consider one of Mississippi's own companies to manufacture these lights.

Sincerely,

Shannon Rowlen
